who are Calgary Women in Energy?

More than a networking group, Calgary Women in Energy is a dynamic collection of professional women with integrity, shared aspirations and a desire to make a positive impact on both our industry and our community.

what is the 2nd annual oil & gas mixed charity golf tournament?

It's every good reason to get out and swing your clubs. This year, we will bring together over 144 of Calgary's oil & gas professionals for one great cause on Thursday, August 26th, at The Links of GlenEagles.

fast facts

1. **Calgary Women in Energy**, First Annual Oil & Gas Mixed Charity Golf Tournament was launched last year as a fun event to raise money for a worthy, not-for-profit organization.
2. Thanks to our sponsors and players last year, **CWIE** First Annual Oil & Gas Mixed Charity Golf Tournament raised \$18,500 for **CAREERS: The Next Generation**.
3. This event is based on the belief that by joining forces with **CAREERS: The Next Generation**, the **oil & gas industry and its professionals** can help provide meaningful work experiences to our youth before they graduate, assisting them on their pathways to career success in the oil & gas industry.
4. All goods, services, and time are graciously donated by our volunteers and sponsors. The entire operating budget is raised through the generosity of oil & gas professionals, service companies and producers and 100% of net proceeds goes directly to the **Oil & Gas Mentorship Programs of CAREERS: The Next Generation**.
